Short Description
Underwood Number 5 Antique Typewriter Completely Restored (SEE VIDEO)

Description
The Underwood No 5 was a popular typewriter, and there are thousands of them out there--in collections and for sale. This one was donated to us, and I went through it thoroughly to make sure that it could stand up to the work and usage that it was originally designed to handle.

But here's a bonus... I recorded the work. See the video at the bottom of the page. This is the first in a series I hope to make, detailing the work that goes into my refurbishing process... as well as explanations for why I'm doing certain things.

If ordering outside the Cincinnati area, there'll be an added $30 for shipping. If you're local, call me and set up an appointment, and I can give you a full demonstration, along with a crash-course on using manual typewriters.
